

Queen Eleanor Improvement Scheme- Upcoming

What's Happening?

Closures

Where: A45 Queen Eleanor Interchange, Northampton

What: Road Closure- We will be working overnight to install traffic management on the roundabout and adjoining roads to ensure safety throughout the duration of this scheme. To ensure the workforce is safe, the lane closures must be set up with a full closure in place.

When: Tuesday 1 April – Thursday 3 April (2 nightshifts)

Working Hours: 20:00-06:00

Traffic Management:

A partial closure of the roundabout will take place on the east side of the interchange on night one. This will be a full closure of the east side of the roundabout, including the A45 slip roads, Hardingstone Lane and Newport Pagnell approaches with approved diversion route in place.

A further partial closure of the roundabout will take place on the west side of the interchange on night two. This will be a full closure of the west side of the roundabout, including the A45 slip roads, Mere Way and London Road approaches with approved diversion routes in place.

Please follow onsite signage and look on one.network for diversion details. One-lane traffic management will be in place on the open sections of the roundabout.

Residents/Businesses:

Residents and businesses will have access to their properties at all times.

Emergency Vehicles:

Please follow the diversion routes. If safe to do so, we will allow access through the works for emergency vehicles.

Pedestrians and Cyclists:

No pedestrian routes will be affected.

Public Transport:

Bus stops on A45 slip road and nearest the roundabout on London Rd and Newport Pagnell Rd will be suspended for the duration of this work. Bus companies have been notified. Please use alternative bus stops during this time.
